

# VTB for society

- 97** Managing sponsorship and charity projects
- 100** A Sporting Country
- 104** Patriotism and a Country of Traditions
- 105** A Cultured Country
- 108** An Educated Country
- 111** A Country for Business
- 114** A Healthy Country

*“VTB is traditionally proactive in supporting sports, education, culture, and healthcare. We take a responsible approach to managing our sponsorship and charitable activity by continuously improving our management system. In 2019, key documents governing this area were updated. Apart from the effect achieved regionally, VTB focuses its efforts on addressing global challenges, including by pursuing the UN Sustainable Development goals”.*
