- 65 Personnel management
- 68 Talent training and development
- 74 Employee motivation and remuneration
- 76 Corporate culture and internal communications
- 79 Occupational health and safety

“To maintain our success, we need a highly engaged team where everyone loves what they do, is enterprising, and strives to achieve outstanding results. This makes developing our corporate culture – the cultural code that unites employees from different divisions – a prime objective in personnel management. We share common goals, and it is paramount that all of our employees are on the same page, believing in and pursuing our values”.

Andrey Kostin
President and Chairman of the Management Board, VTB Bank
